EDUCATION

Vellore Institute of Technology (VIT) — Bachelor of Technology in Computer Science & Engineering
2022 – 2026 | CGPA: 7.94

PROFESSIONAL EXPERIENCE

Video Editor & Tech Content Creator — LogicnLearn (YouTube Platform)

- Edited educational and technical videos focused on DSA, programming, Flutter, and placement preparation
- Designed engaging video storytelling using cuts, transitions, motion text, zoom effects, and background music
- Optimized videos for audience retention using pacing, captions, visual highlights, and structured editing flow
- Created YouTube-ready content including thumbnails, short-form clips, and reels for social media distribution
- Improved viewer engagement through clean visual presentation and simplified concept visualization
- Managed full content pipeline: scripting support → editing → export → upload optimization (SEO titles, descriptions, hashtags)

Flutter Developer Intern — PawsPalConnect

- Developed cross-platform mobile applications using Flutter for Android and iOS
- Designed responsive UI components following clean architecture practices
- Integrated REST APIs and Firebase services for authentication and real-time data
- Collaborated with team members for feature development, debugging, and performance optimization

VIDEO EDITING & CREATIVE SKILLS

- Video Editing & Post Production
- Educational & YouTube Content Editing
- Motion Text & Visual Effects
- Audio Syncing & Background Music Integration
- Storytelling & Viewer Retention Editing
- Short-form Content (Reels / Shorts)
- Thumbnail Planning & Content Structuring

Tools

- CapCut / Premiere Pro (or tool you use — update)
- Filmora / DaVinci Resolve (if applicable)
- Canva (Thumbnails & Graphics)
- YouTube Studio Analytics
- OBS Screen Recording

TECHNICAL SKILLS

Programming: C++, Java (Basic)
Mobile Development: Flutter, Firebase
Backend: Node.js, Express.js, REST APIs, JWT Authentication
Databases: MongoDB, Firebase Firestore, SQL

ACHIEVEMENTS

- Cleared HackWithInfy Round 1 — Digital Specialist Engineer (DSE) Pre-Placement Offer (July 2025)
- Solved 950+ DSA problems across coding platforms with a 650+ day streak
- Grew LogicnLearn YouTube channel to 1000+ subscribers through consistent content creation

CO-CURRICULAR ACTIVITIES

- Created technical educational videos simplifying DSA, development, and placement preparation
- Hosted placement-focused podcast interviews with students placed in top companies
- Managed complete video production workflow from recording to publishing
